## AURORA COUNTY COMMISSIONER PROCEEDINGS

## November 7, 2024

The meeting was called to order at 9:00 AM by Chairman Clyde Dethlefsen, John Paul Studeny, Roger Hanten, and Randy Niles present. Absent was Travis Clark.

The Pledge of Allegiance was recited.

PUBLIC INPUT: Emergency Manager Kehn wanted to remind the residents in the County to keep in mind that there is currently a burn ban in place and to be diligent about complying with it.

The agenda was amended by adding replace water tank on weed truck, executive session as per SDCL 1-25-2 (1), and VFW memorials in front of the courthouse. A motion was made by Studeny, seconded by Hanten to approve the agenda as amended. Motion carried all voting aye.

A motion was made by Hanten, seconded by Niles to approve the minutes of the October 17<sup>th</sup> meeting. Motion carried all voting aye.

Chairman Dethlefsen stated the VFW memorials in front of the courthouse that were reconstructed look very nice and David Dixon did a wonderful job fixing them up. The Commission agreed with Dethlefsen and considered giving a donation to the VFW for doing this. The Chairman asked if a donation would be allowable and asked Auditor Urban to check into it. A re-dedication for the memorials will be held on Monday, November 11<sup>th</sup>.

Highway Superintendent Vissia and Secretary Beckman were present for the highway report.

Ken Schlimgen from Central Electric was present to discuss an approach permit for a new facility east of Plankinton. He informed the Commission that they are pursing land (6 acres) from Mayclin Farms that is along Highway 281 and 253<sup>rd</sup> St. Central Electric is wanting to put in a service center there and will need an approach for access to the facility. Ken said they have asked the State for an approach along Hwy 281, but were denied as there are numerous approaches in that area along the highway already. He stated that he was told to get permission from the county for an approach along the county road. Schlimgen stated that the county's current load limits of 80,000 lbs. will be fine as they do not have any service trucks that are over that. He also told the Commission they will work with the county to keep the approach as far back from the intersection of Hwy 281 and 253<sup>rd</sup> St. as they are able to. The

Commission asked for help with upkeep if the road started to deteriorate due to the turning in and out of the facility. Ken said he could not answer that, but noted the approach will be wide enough so there will be extra room to avoid any sharp turns on the toad. A motion was made by Studeny, seconded by Hanten to approve the approach permit for Central Electric on the SE ½ SE ½ of Section 13-103-64 for a new service center to house employees and equipment used to maintain and build rural electric cooperative infrastructure. The approach will be paid for by the county and anything that exceeds the normal width of the approach will be paid for by Central Election. Motion carried all voting aye.

Jamie VanZee from Brosz Engineering presented the Commission with payment application #4 from BX Civil & Construction in the amount of \$78,952.50 for structure # 02-021-260 for project # BRO 8002(00)22-4, PCN 08WT for bridge work that has been completed. He said there are a few items that need to be addressed, but otherwise it looks good and the bridge was open for traffic last week. A motion was made by Studeny, seconded by Hanten to approve payment #4 to BX Civil in the amount of \$78,952.50. Motion carried all voting aye. Mr. VanZee also noted the other bridge project that was done along with this one is near completion. They are in the process of backfilling now and not a whole lot of work is left. It should be completed within the next 2-3 weeks, stated VanZee.

Due to the employee meeting on the 5<sup>th</sup> of December, Highway Superintendent Vissia withdrew his request to attend the SDATAT annual meeting on the 5<sup>th</sup> & 6<sup>th</sup> of December in Aberdeen.

The County still has gravel that needs to be hauled out of the Markhardt Pit by March of 2025. A motion was made by Niles, seconded by Hanten to approve a 1-year contract extension with Dick Markhardt. Motion carried all voting aye. The new deadline for the gravel to be removed is now March 1, 2026.

A motion was made by Studeny, seconded by Niles to approve the Joint Powers Force Agreement between the State of SD Department of Transportation and Aurora County for the sustained damage done to the County's Federal Aid Highway System (FAS roads) due to the June 2024 flooding. Motion carried all voting aye. This agreement is necessary for the County to be eligible for Federal Aid Emergency Relief Funds for the restoration of the roads.

Discussion was held on a potential budget supplement for the highway due to the 2024 flood repairs.

Vissia said the grid board went out of the heater at the White Lake shop. The cost to replace the grid board is \$800. He was told by Konechne Heating & Cooling that the grid board would more than likely go out again if we

replaced it. Vissia presented a quote for a new heater to the Commission from Konechne Heating & Cooling. A Modine heater was quoted at \$4,518.38 and a Reznor heater was \$4,979.60. A motion was made by Hanten, seconded by Niles to get another quote from another vendor to compare costs and then take the lowest quote and proceed with purchasing a new heater for the White Lake shop. Motion carried all voting aye.

Commissioner Hanten discussed the striping issue on the oil road south of White Lake. Commissioner Niles stated the person who we had the contract with should redo the entire job. Vissia said he talked with SD LTAP at a workshop about it and they told him if it did not affect driving, it was ok. It was asked why the lines were so crooked. Vissia said the company we contracted with is new and they did not have a laser when they did our road, but they have one now. Doug said he sent photos to SD LTAP after he spoke with them, but has not heard back. Vissia also noted that the bill was a little over \$400/mile rather than the original quote of \$1,200/mile. So, it is substantially less than what it was going to be, said Vissia. Commissioner Hanten said he also noticed some places where the paint seemed a lot lighter in color than others. He said the yellow just didn't seem very bright, it was as if the lines were worn out already. Commissioner Studeny questioned the liability for the county. Nancy was asked if she drove that road. She said yes, they are not straight lines but, in her opinion, they are not dangerous either. Commissioner Hanten said if the county is not going to have any liability issues with it, then we would not need to fix it. The Commission directed Highway Superintendent Vissia to contact our States Attorney about any liability issues or concerns and to also check out the lighter spots that Commission Hanten addressed. Commissioner Dethlefsen said the lighter spots are probably more of a concern than the crooked lines.

A motion was made by Studeny, seconded by Niles to approve the renewal of the retail (on-sale) liquor license for Fish Lake Country Club. Motion carried all voting aye.

A motion was made by Studeny, seconded by Niles to approve the renewal of the retail (on-of sale) Wine & Cider license for CC&F (Coffee Cup Fuel Stop). Motion carried all voting aye.

A motion was made by Niles, seconded by Hanten to approve the renewal of the retail (on-sale) liquor license for Firesteel Creek Hunting Lodge, Inc. Motion carried all voting aye.

Plankinton High School seniors Alyssa Johnson and Alexis Hauge along with FCCLA Advisor Ellen Hohbach met with the Commission to present a crosswalk project they would like to do. The presentation consisted of

crosswalks for the intersections of 1<sup>st</sup> and Campbell and 3<sup>rd</sup> and Campbell. They shared their concerns about children walking to school and having to cross the road at these intersections. The girls stated they checked into lighted signs, but felt those were too costly. So, they proposed installing pedestrian crossing signs and painting crosswalks on the road. The City of Plankinton approved a crosswalk for the intersection of 1<sup>st</sup> and Campbell, but told the students to get permission from the county for 3<sup>rd</sup> and Campbell since it is a county road. It was noted the City of Plankinton will provide the paint and signs and the girls would volunteer their labor. Commissioner Studeny stated this project would be very beneficial. A motion was made by Studeny, seconded by Niles to approve the safe crosswalk project on the intersection of 3<sup>rd</sup> St and Campbell St and purchase signs if needed. Motion carried all voting aye.

Weed Supervisor Skyler Kehn met with the Commission to inform them that the water tank on the weed truck is starting to crack and requested to purchase a new one before next spring. Kehn stated that he does not want to take the chance of having it break during the spring when they are getting ready to spray as it will delay spraying. He told the Commission he got a quote from C&R Supply for \$6,620 for a new tank, plumbing, and labor. The tank itself is \$3,480 which is 110 gallons bigger than the current one, it will cost \$500 for parts, and \$2,640 for labor. A motion was made by Studeny, seconded by Niles to authorize Kehn to purchase the new water tank for the weed truck. Motion carried all voting aye.

The votes from the November 5, 2024 General Election were canvassed. A motion was made by Studeny, seconded by Niles to approve the results of the November 5, 2024 General Election. Motion carried all voting aye.

For the post-election audit, the Commission drew Precinct 5 and the statewide race to be audited is Constitutional Amendment H and the other race that will be audited will be the House of Representatives District 21. A motion was made by Studeny, seconded by Niles to approve the races to be audited as per SDCL 12-17B-20 and set the post-election audit date for Friday, November 15<sup>th</sup> at 2:00 PM as per SDCL 12-17B-18. Motion carried all voting aye.

A motion was made by Studeny, seconded by Hanten to enter into executive session as per SDCL 1-25-2(1) for personnel at 11:41 AM. Motion carried all voting aye. The Chairman declared the Board out of executive session at 12:02 PM with no official action taken.

A motion was made by Hanten, seconded by Niles to file reports and pay voucher as listed below. Motion carried with Dethlefsen, Hanten and Niles voting aye. Studeny abstained from the vote.
