City of Springfield, South Dakota Ordinance 400, 1989, dated January 24, 1989 and amendment files.

The Ordinance Book of 1989 is divided into fifteen Titles. Title I includes the Home Rule Charter of the City of Springfield. Title names do not necessarily reflect all of the items in the Title. Refer to the Index for help in locating specific items.

A topic may be covered by several different chapters spread though different Titles. Example, domestic animals are covered in Title VI, but non-domestic animals (chickens, cows, etc) are covered in Title IV.

Amendments are not organized into the Titles of 1989 and are not numbered so as to make for ease of understanding. Each amendment will state in the title paragraph which Paragraph and Section it is amending. Amendment dates are located at the end of the amendment.

As of August 2022, an updated Ordinance Book is being worked with the publisher. Once completed and approved all amendments up to review date will be incorporated. Expect organizational and number changes.
